

## **Deepika Kewlani-Varkey, MBA, PCMH**

Deepika Kewlani-Varkey is the Lead Director for Strategic Planning at CVS Accountable Care. She works with health systems and clinician groups across the country on ACO REACH-related initiatives. She previously served as the Director for Network Performance for Catholic Health Physician Partners, a downstate New York based health system, focusing on value-based success across all lines of business. Prior to her time at Catholic Health, Deepika has served in Health IT-related roles for several organizations including the NYC Department of Health and Mental Hygiene, as well as the Community Health Care Association of NYS (CHCANYS). Deepika holds a Bachelor's of Science in Business Management and Masters in Business Administration with a focus on Executive Management from St. John's University.
