

## **Zara Muradali**

Zara is an experienced, trusted, and dynamic life science leader with a passion for driving innovation and delivering exceptional results serving clients over the last 28 years in the public accounting industry. She has assembled a Tiger team to perform at the highest levels to serve Life science clients with deliberate precision within Grant Thornton. Zara's functional experience includes finance & tax transformation, Strategic Federal Tax Services, cost & performance improvement, finance operations, change management, strategic planning, business development, corporate integration, financial & tax strategy, business intelligence, M&A, post-merger integration, and ERP financial systems. She offers unparalleled expertise, exceptional client service, and cutting-edge solutions that drive her client's financial success. By staying at the forefront of industry trends and technological advancements, she delivers accurate, compliant, and forward-thinking strategies that enable our clients to navigate the complexities of the life science landscape with confidence. Zara's commitment to excellence, integrity, and collaboration empowers us to be the preferred accounting firm for life science organizations, contributing to their growth, sustainability, and positive impact on society. Additionally, Zara is a 2023 Healthcare Businesswomen's Association Luminary Award winner. This prestigious award celebrates seasoned leaders who have significantly impacted the healthcare and life science industry. Zara serves as the Executive sponsor for GT Equality and in this role, she has actively mentored others to drive impactful progress at Grant Thornton and within the industry. She is an active member of Chief, a private network designed for the most powerful women executives to strengthen their leadership, magnify their influence, and pave the way to bring others with them. For over 10 years she has been an Executive Board member at Mass Medic.
