

## **Ellen Rudy, PhD**

Dr. Ellen Rudy serves as the Head of Health and Social Impact at Papa with the responsibility to evaluate Papa's impact on members' quality of life, health outcomes and total cost of care. Dr. Rudy earned her Ph.D. in Epidemiology from the University of California, Los Angeles and completed a postdoctoral fellowship in Health Policy and Research at RAND/UCLA. She most recently worked at Molina Healthcare, a managed care organization providing Medicaid and Medicare health care services with leadership responsibility across Population Health Management, Health Policy and Research, Quality and Healthcare Operations.
