

## **Dana Steiner, BSN, MBA, CPHQ**

Dana Steiner, BSN, MBA, CPHQ has worked in rural healthcare for 19 years. 15 years of that work were dedicated to a Critical Access Hospital and the past 4 years working for the Nebraska Hospital Association focused on healthcare quality across the state. Dana received her BSN from University of Nebraska Medical Center and her MBA from University of Nebraska- Kearney and is currently working towards her MSN at Nebraska Wesleyan University. Steiner is a TeamSTEPPS master trainer and is actively involved in professional organizations in Nebraska. In 2022 Steiner earned her Certification in Healthcare Quality (CPHQ). Steiner has held many roles over her career including Quality Director, Chief Nursing Officer, and Clinic Administrator and currently serves as a healthcare quality director for the state hospital association, serving hospitals across Nebraska to provide high-quality and efficient care.
